Hi Matt,  
Powertech, the permit applicant for the Dewey-Burdock site, has requested a conference call with Region 8. I just wanted to check in to see if we could talk with you beforehand to get any impressions you have so far from your review of the NRC documentation for their NHPA section 106 work. Would Thursday morning, Oct 29 around 11:00 your time work for you? The other option is Monday, Nov 2 after 2:00 your time. The call would be with Region 8 staff only. The Monday time slot probably works best for the Region 8 folks.  
Thanks!
